TRIBUTE TO WILLIE NELSON NEXT UP AT HHT

On Saturday September 9th, The Historic Hemet Theatre will host the next concert in their Tribute Mania Series -- a tribute to country music icon Willie Nelson.

Roger Hegyi as “True Willie” pays tribute to the life and music of one of the world’s most recognizable and distinctive musicians. Not just a Willie Nelson “impersonator,” Roger has found a way to reach into the musical soul of Willie Nelson and share it with audiences wherever he performs. Known across the nation as the most authentic and convincing tribute to Willie Nelson, the True Willie Band honors not just the music, but the influence on the history of American music.

Roger has over 40 years of experience as a singer and guitarist, performing in small clubs and huge stadiums across the country. The True Willie Tribute Band is Roger’s lifelong dream, celebrating a musical journey through time with incredible vocals and storytelling with an amazing look-alike and sound-alike performance.

This concert continues the run of successful Tribute Mania concerts at the Historic Hemet Theatre. Last Saturday's return of Surf's Up and their tribute to the Beach Boys was nearly a sellout. The audience danced, cheered, clapped and sang along with all of the beach music classics. A special feature for the event was the beach balls that bounce through the auditorium sporadically through the evening.

Showtime for all performances is 7:00 pm. Tickets are \$22 presale, \$25 day of show, available online at www.PurplePass.com or at the theatre ticket office. Tickets are also available at the Downtown Deli, 113 N Harvard St and the Harvard Street Music Exchange, 134 S Harvard St.
