HHT ANNOUNCES NEW SEASON OF TRIBUTE MANIA

By: Emily Rand

The Historic Hemet Theatre has announced the schedule for the first season of Tribute Mania concerts for 2022. The theatre is returning to the format of three seasons per year, with 8 concerts per season.

The season opens with a Tribute to The Bee Gees on January 8th. This show was the first event cancelled in 2020, just before the start of the COVID shutdown. Tickets for the 2020 show had sold out faster than any previous show, so fans should not wait to grab them for this return engagement.

In 2021, all but one show sold out before day of show – some selling out more than a month early.
